CHILD/FAMILY SERVICES ELIGIBILITY DATA FORM 1/09
DEFINITION AND CRITERIA FOR CANCELLATION ON PERKINS LOAN
CHILD/FAMILY SERVICE

A full-time employee of an eligible public or private non-profit child or family service agency who is providing or supervising the provision of services to high-risk children from low-income communities. Borrower must work 12 consecutive months.

To receive loan cancellation for being employed at a child or family services agency, a borrower must be providing services only to high-risk children from low-income communities. The borrower may also be providing services to adults, but these adults must be members of the families of the children for whom services are provided. The services provided to the adults must be secondary to the services provided to the high-risk children. The Department of Education has determined that an elementary or secondary school system or a hospital is not an eligible employing agency.

High-risk children: Individuals under the age of 21 who are low-income AND at risk of abuse or neglect, have been abused or neglected, have serious emotional, mental, or behavioral disturbances, reside in placement outside their homes, or are involved in the juvenile justice system.

Low-income communities: Communities in which there is a high concentration of children eligible to be counted under Title I of the Elementary and Secondary Education Act of 1965 as amended.
