"Ready for Hire" Go-Live September 30

On September 30, “Ready for Hire” functionality will be available that will allow applicants in Talent Acquisition Management (TAM) to be transferred directly into HRMS PeopleSoft for payroll purposes, both as new hires and transfers. As part of the release, the Job Opening and Job Offer documents will route to the HRMS Fiscal Approver and HRMS Fiscal Approver Delegates set up on the KFS Organization document before routing to the Campus Budget Office for approval.

*The initial release of Ready for Hire is only for appointed (benefits eligible) staff and not academic nor part-time employees.*

Units should continue reviewing the HRMS Fiscal Approvers and Delegates set up for TAM appointed staff approvals on their KFS Organizations that are set up to allow positions.

To assist with that review, a new UIIE report has been published that lists existing HRMS Fiscal Approvers and Delegates. The report, [Organization Role Data with HRMS Indicators, Delegates, and Org Hierarchy](#), is located in the UIIE Master Catalog in the Kuali Financial, Chart of Accounts, Datagroups folder.
When updating the HRMS Fiscal Approver and HRMS Fiscal Approver Delegate fields on KFS Organizations, the HRMS Fiscal Approver should be a current Fiscal Officer and HRMS Fiscal Approver Delegates must be exempt staff.

For reference, a “Ready for Hire” webinar and PowerPoint presentation are available on the HR website and include details about the new TAM functionality, training, and audience Q&A.

Slide 13 of the Webinar slide deck for finance professionals provides an explanation of how each KFS and HR approval role is set up and used by TAM and HR eDocs.

A FAQ page is also available. If you have questions related to the Ready to Hire Process, please contact askhr@iu.edu. If you need assistance updating the KFS organization document or the new IUIE report, please contact your campus organization chart manager.

Independent Contractor Questionnaire Reminder

Are you planning to pay an IU employee as an independent contractor in BUY.IU? An Independent Contractor Questionnaire (ICQ) must be completed and reviewed by University Tax first.

Generally, employees should not be paid as independent contractors unless certain factors are met. Tax uses the information provided in the questionnaire to determine if the individual should be compensated as an employee through HRMS or as an independent contractor through BUY.IU. For more information, please review policy FIN-ACC-630: Determination of Employee or Independent Contractor Status.
